Important Risk Notice:

- This document is for general information only. The information is for reference only and does not constitute an offer, solicitation, recommendation, opinion or any guarantee for any person to buy, sell, subscribe for any investment products or services.
- Investment involves risks, and the prices of investment products may fall as well as rise and may even become worthless. Past performance is not indicative of future performance.
- Investors should read the relevant fund's offering documents in detail before making any investment decision.
- The content is issued by WeLab Bank Limited and has not been reviewed by the Securities and Futures Commission.

Partnering with the top global fund houses (Including: AllianzGI, Blackrock, Fidelity, Invesco, Janus Henderson, JPMorgan Asset Management, PIMCO, Schroder), WeLab Bank sources market's popular investment ideas and hot themes, and thus comes up with a list of funds (**'Featured Funds'**), that we expect to perform in line with relevant major global equities and global fixed income benchmarks in the long run.

About the Featured Funds list:

- The product list is categorized and presented according to fund currency (HKD, USD, etc.) and fund types (equity funds, bond funds, mixed-asset funds, money market funds, etc.). The presentation is only for the convenience of investors to refer to the fund list and is not intended to, nor does it constitute any solicitation, recommendation, or provision of any fund investment advice. Unless specifically stated, the product-related data displayed are as of 31-03-2024.
- The funds in the product list do not imply that the fund is suitable for any individual investor, nor does it mean that the fund can maintain its historical performance. The relevant information is for general reference only.

1. ISIN, fund return performance and other information are provided by Morningstar Asia Limited. The information is as of 31-03-2024. We are not responsible for the accuracy of the information. Past performance is not an indicator of the future.
2. The product risk rating, fund type, and fund theme are defined by WeLab Bank, and the information is as of 31-03-2024. In case of any discrepancy between this webpage and the WeLab Bank App, the WeLab Bank App shall prevail.
3. In respect of each relevant fund, the returns were calculated based on the class currency of the relevant fund stated in the column "Class Currency" and the NAV price of the relevant fund, based on the principle of NAV-to-NAV with reinvestment of all dividends (if any) received from the relevant fund. As regards whether Morningstar Asia Limited has taken into account the dividends of the relevant fund in the calculation of the returns, only dividend information which was made available on 31-03-2024 when it calculates the returns for the relevant fund will be included. Only the funds that have an investment track record of at least 6 months as of the information captured date will have their percentage returns displayed.
4. The Risk Level (1 = Low Risk, 2 = Low to Medium Risk, 3 = Medium Risk, 4 = Medium to High Risk, 5 = High Risk) is assigned to a fund by the Bank based on the Bank's internal assessment of various factors, and is for general information and reference only. The Bank may revise the Risk Level assigned to a fund from time to time. The information in connection with risk level is compiled by the Bank with reference to sources which the Bank believes to be reliable.
5. The "Dividend Yield" data refers to the 12-month dividend yield of the fund. If the fund's inception date is less than 12 months, such data will be the current yield of the fund. Dividend Yield data as of 31-03-2024, and it is provided by Morningstar Asia Limited.
